

TEMAPARETE

TEMAPARETE VERTICALE

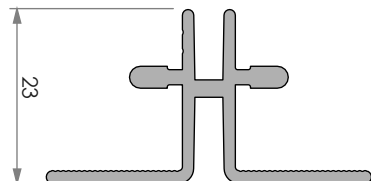

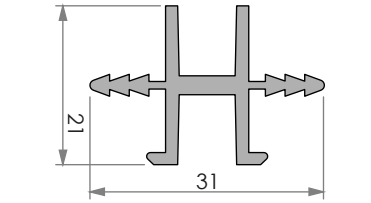

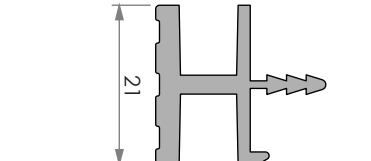

Disponibile nella versione verticale con ampia gamma di profili a cremagliera in alluminio che vengono inseriti lateralmente fra i diversi pannelli fissati a muro. Tutti gli accessori sono in lamiera verniciata ral 9006 e possono essere posizionati in modo molto semplice a qualsiasi altezza del profilo alluminio.

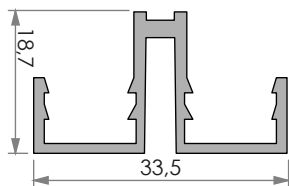

VERTICAL TEMAPARETE

Available in the vertical version with a wide range of aluminium rack profiles inserted sideways between the different panels and fixed to the wall. All the accessories consist of ral 9006 varnished metal sheet, and can be positioned in a very simple way at any height on the aluminium profile.
